It is with great pride I extend my support to the Miracle League of Northampton Twp, Bucks County Pennsylvania, in your efforts to build a facility that will allow children with special needs to experience outdoor sports.

All children regardless of their physical abilities deserve to have the opportunity to participate in a sports program. An outdoor sports complex serving our special needs children will not only serve the residents of Northampton Twp but my entire Congressional district.

The Miracle League of Northampton Twp should be commended for your selfless commitment to children of special needs.

As your Congressman and on behalf of the residents of Northampton Township and Bucks County, I wish you much success as you embark on this worthwhile project and I look forward to working with you as we together serve our great community.

Sincerely,

A handwritten signature in black ink, appearing to read "Pat J. Murphy".
