

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

GREETINGS:

It is my distinct pleasure to extend my support to the Miracle League of Northampton Township in their efforts to ensure that even children with physical and mental disabilities have the opportunity to play baseball.

The beloved tradition of baseball continues to unite communities across our commonwealth. All children regardless of background or disability, deserve to have the opportunity to achieve and showcase their personal best.

It is because of organizations like the Miracle League that all children can experience the ball field under their feet, the smell of the cool grass, and the warmth of the sun as they play in an afternoon baseball game. It is important to remember that while individual athleticism and skill do play a role in sports, it is actually the strength of the human spirit that truly triumphs. I applaud the work of all involved with the Miracle League, because not only are children with disabilities able to participate in sports activities, but they are given the chance to live their dream of playing and being treated just like everyone else.

As Governor and on behalf of all Pennsylvanians, I am proud to support the work of the Miracle League, and I congratulate all of the athletes who have benefited from such a terrific organization. I extend my best wishes for continued success in future endeavors.
